

What's the value of your reward package ?

How many of you have thought recently about the value of your reward package....not only your salary..... but other benefits like your pension, private health care and your life assurance. We offer our employees an understanding of their reward package so they can make their own decisions on how to structure their benefits.

Everything accessible at home via stewartmilne.tv which gives you access to ispace (our intranet).

Total Reward Statements (TRS) TRS is a secure internet site developed exclusively for Stewart Milne Group staff where you can find out all about the benefits and reward package in one easy location.

Within **TRS** your personalised "home page" will summarise all your individual benefits and their value to you and your family. It also provides access to the following additional tools:

"MyBenefits"

MyBenefits allows you to access detailed information on each of the precise benefits you are entitled to in one place! MyBenefits can help you understand exactly what each of the benefits provide for you and your family and the value of each benefit.

"MyMoneypal"

MyMoney pal is a financial education tool, which gives you information on areas such as personal taxation, mortgages, private health care and retirement.

"MyDiscountclub"

MyDiscountclub provides you access to a fantastic range of discounts on products and services from the high street to the Internet.
